

UNIT 9
MEMORANDUM OF
UNDERSTANDING (MOU)

2025-2028

between the

PROFESSIONAL ENGINEERS IN
CALIFORNIA GOVERNMENT (PECG)

and the

STATE OF CALIFORNIA

IN CALIFORNIA GOVERNMENT

Dear Colleague:

This three-year Memorandum of Understanding (MOU), or labor contract, was negotiated by your PEGC Bargaining Team and CalHR, which represents the State, and was overwhelmingly ratified by PEGC members in State Bargaining Unit 9 and the Legislature. The PEGC 2025-28 MOU establishes the pay, benefits, and working conditions for all Bargaining Unit 9 employees from July 1, 2025, through June 30, 2028.

This MOU was negotiated under difficult circumstances with the State demanding employee compensation reductions from PEGC and every other state employee bargaining unit to address ongoing multi-billion dollar structural state budget deficits.

While the agreement does not include everything your Bargaining Team fought for, it does provide two increases in pensionable compensation that will increase your take home pay in the near future and throughout retirement. It is the very best agreement available during this bargaining cycle.

In addition to the salary increases, the MOU ensures that longevity, geographic, and every other existing pay differential will continue to be paid and contains other improvements in Unit 9 employee benefits that PEGC members have come to rely on.

In a major achievement, Side Letter #27 to the 2022-25 MOU suspends the Governor's four-day return-to-office executive order for Unit 9 employees until July 1, 2026. This provides significant relief and stability for teleworking Unit 9 members. In a testament to PEGC's leadership role, Side Letter #27 became the model for every other bargaining unit seeking a reprieve from the Administration's unnecessary return-to-office mandate and continued flexible telework for all state employees. And make no mistake, the fight to protect flexible telework for Unit 9 employees will continue for years to come.

Under the 2025-28 MOU, the State continues to pay its share of health plan premiums on the 85%/80% formula, the highest reimbursement rate of any state bargaining unit, as well as 75% of dental premiums and 100% of the vision care plan. Unit 9 pension contributions percentages will also remain the lowest in state service throughout the agreement.

Your PEGC Bargaining Team deeply appreciates the continued unity and support of PEGC's over 11,000 members. Our solidarity has always been the key to PEGC's achievements. In the years to come, PEGC will continue to work hard to improve compensation and working conditions.

In Unity,

D'Arcy McLeod

SALARIES AND COMPENSATION

3.1 Salary Parity for Unit 9

The State and PEGC will continue to complete the salary survey of Unit 9. This survey will include the Professional Engineer Benchmarks that utilize the California public agencies and the University of California included in the department's survey dated December 2002, and the local agency classifications and salary range matches contained therein. The salary survey for those classifications and agencies shall be current data. The agencies and classifications included in the survey shall only be changed upon agreement between CalHR and PEGC.

Survey Methodology:

- A. All steps in each salary range shall be increased by the same percentage. The salary for intermediate classifications in ranges between the Entry and Supervisory levels shall be based on prorating or interpolating the salaries.
- B. All salary increases shall be rounded to the nearest dollar. In no event shall salaries be reduced as a result of this provision. CalHR and PEGC may negotiate salaries above the minimum level on any general, regional, specialty, classification, department, or other basis they choose to agree upon.
- C. Salaries for Unit 9 employees shall be increased as appropriate to correspond to the timing of the salaries received by local agency employees included in the survey.

By mutual agreement CalHR and PEGC can meet to discuss benchmarks and methodologies.

Beginning with the January 2016 salary survey, the calculation of the salary lead or lag for Unit 9 employees shall be based on the weighted average salaries of employees in the classifications in the surveyed agencies as of January 1.

Notwithstanding the above provisions, salary increases pursuant to this section shall not be provided during the term of this MOU.

The most current version of the salary survey will be posted on the CalHR website.

3.2 Merit Salary Adjustments

- a. Unit 9 employees shall receive annual merit salary adjustments in accordance with Government Code Section 19832 and applicable CalHR rules.
- b. Notwithstanding 2 Cal. Code Reg. § 599.684, an employee whose merit salary adjustment is denied may appeal pursuant to Article 12 (Grievance and Arbitration) of this agreement.

3.3 Professional Qualification Compensation

- a. Licensing Examinations – Fees and Time Off
 1. Upon successful completion of any portion of the examination for the licenses listed below, the State shall reimburse Unit 9 employees for all fees and charges required to apply for and participate in the examination for the following professional licenses and certificates: Engineer, Architect, Landscape Architect, Land Surveyor, Engineer-in-Training, LSIT, Geologist-in-Training, Engineering Geologist, Geologist, and Geophysicist. The State shall also reimburse Unit 9 employees for their renewal fees for the above licenses provided, however, the State shall not reimburse employees for late fees (or penalties) due to untimely renewal.
 2. Unit 9 employees shall accrue eight (8) hours of compensating time off upon successful completion of the examination needed to obtain one of the licenses or certificates listed in 1. above.
 3. If an employee is scheduled to take an examination for one of the licenses or certificates listed in 1. above during his/her work day, the employee will be granted paid State release time to take the examination upon presentation of proof that the employee is scheduled for the examination. Such release time is limited to the time required for the exam and includes reasonable travel time to and from the nearest examination site, not to exceed the normal work shift on the exam day.
- b. Professional Society and Organization Dues

Unit 9 employees shall be reimbursed for dues paid to one or more job-related professional societies or organizations. Said reimbursement shall not exceed two hundred and fifty dollars (\$250) per fiscal year provided, however, the State shall not reimburse employees for late fees or penalties due to untimely renewal of their membership.

3.4 Bilingual Differential Pay

Bilingual Differential Pay applies to those positions designated by the Department of Human Resources as eligible to receive bilingual pay according to the following standards:

- a. Definition of bilingual positions for Bilingual Differential Pay
 - (1) A bilingual position for salary differential purposes requires the use of a bilingual skill on a continuing basis averaging ten percent (10%) of the time. Anyone using their bilingual skills ten percent (10%) or more of the time will be eligible whether they are using them in a conversational, interpretation, or translation setting. In order to receive bilingual differential pay, the position/employee must be certified by the using department and approved by the Department of Human Resources. (Time should be an average of the time spent on bilingual activities during a given fiscal year.)
 - (2) The position must be in a work setting that requires the use of bilingual skills to meet the needs of the public in either:

- (a) A direct public contact position;
 - (b) A hospital or institutional setting dealing with patient or inmate needs;
 - (c) A position utilized to perform interpretation, translation, or specialized bilingual activities for the department and its clients.
- (3) Position(s) must be in a setting where there is a demonstrated client or correspondence flow where bilingual skills are clearly needed.
 - (4) Where organizationally feasible, departments should ensure that positions clearly meet the standards by centralizing the bilingual responsibility in as few positions as possible.
 - (5) Actual time spent conversing or interpreting in a second language and closely related activities performed directly in conjunction with the specific bilingual transaction will count toward the ten percent (10%) standard.
- b. Rate
- (1) An employee meeting the bilingual differential pay criteria during the entire monthly pay period would receive a maximum \$200.00 per monthly pay period, including holidays.
 - (2) A monthly employee meeting the bilingual differential pay criteria less than the entire pay period would receive the differential on a pro rata basis.
 - (3) A fractional month employee meeting the bilingual differential pay criteria would receive the differential on a pro rata basis.
 - (4) An employee paid by the hour meeting the bilingual differential pay criteria would receive a differential of \$1.15 per hour.
 - (5) An employee paid by the day meeting the bilingual differential pay criteria would receive a differential of \$9.22 per day.
- c. Employees, regardless of the time base or tenure, who use their bilingual skills more than ten percent (10%) of the time on a continuing basis and are approved by the Department of Human Resources will receive the bilingual differential pay on a regular basis.
- d. Bilingual differential payments will become earnings and subject to contributions to the State Retirement System, OASDI, levies, garnishments, Federal and State taxes.
- e. Employees working in positions which qualify for regular bilingual differential pay as authorized by the Department of Human Resources may receive the appropriate pay during periods of paid time off and absences (e.g., sick leave, vacation, holidays, etc.).
- f. Employees will be eligible to receive the bilingual differential payments on the date the Department of Human Resources approves the departmental pay request. The effective date shall be retroactive to the date of appointment, not to exceed one (1) year, and may be retroactive up to two (2) years, to a position requiring bilingual skills when the appointment documentation has been delayed. The effective date for bilingual pay differential shall coincide with the date qualified employees begin using their bilingual skills on a continuing basis averaging ten percent (10%) of the time, consistent with the other provisions of this section.

- g. Bilingual differential payments will be included in the calculation of lump sum vacation, sick leave and extra hour payments to employees terminating their State service appointment while on bilingual status.
- h. Effective October 31, 2002, qualifying employees in Work Week Group 2 shall receive bilingual compensation for overtime hours worked.
- i. Employees receiving regular bilingual differential pay will have their transfer rights determined from the maximum step of the salary range for their class. Incumbents receiving bilingual pay will have the same transfer opportunities that other class incumbents are provided.
- j. The bilingual differential pay shall be included in the rate used to calculate temporary disability; industrial disability and non-industrial disability leave benefits.

3.5 Overpayments/Payroll Errors

Overpayments/Payroll errors shall be administered in accordance with Government Code Section 19838 except as otherwise provided in Section 3.12 entitled Late Docks.

For CDCR

When an employee is overpaid or owes the State money, the employee shall be given reasonable individual notice in writing prior to CDCR establishing an accounts receivable. In the event the accounts receivable is initiated by a controlling agency, CDCR will make reasonable effort to individually notify the employee by certified mail or personally delivering the notice to the employee (which may include electronic delivery).

3.6 Timely Payment of Wages

- a. When a permanent full-time or probationary employee receives no pay warrant on payday, the State agrees to issue a salary advance, consistent with departmental policy and under the following conditions:
 - 1. When there are errors or delays in processing the payroll documents and the delay is through no fault of the employee, a salary advance will normally be issued within two (2) work days after payday for an amount close to the actual net pay (gross salary less deductions) in accordance with departmental policy.
 - 2. When a regular paycheck is late for reasons other than (1) above (e.g., AWOL, late dock), a salary advance of no less than 50% of the employee's actual net pay will normally be issued within five work days after payday except as otherwise provided in Section 3.12 entitled Late Docks. No more than two salary advances per calendar year may be issued under these circumstances.
 - 3. The difference between the employee's net pay and the salary advance shall not be paid until after receipt of the Controller's warrant for the pay period.

4. The circumstances listed in (1), (2), and (3) are not applicable in remote areas where difficulties in the payroll process would not allow these timelines to be met. In these areas the State agrees to attempt to expeditiously correct payroll errors and issue salary advances.
- b. It will be the responsibility of the employee to make sure voluntary deductions (e.g., credit union deductions, union dues, etc.) are paid.
- c. This provision does not apply to those employees who have direct deposit. This provision does not preclude advances if they are provided for under any other rules or policies where direct deposit is involved.
- d. For overtime checks, an advance for an amount close to the actual net pay shall be issued by the end of the pay period following the actual month for which the overtime is submitted if the overtime check is not available at that time.

3.7 Long Term Differential

- a. This section applies to Caltrans employees who otherwise qualify for long term per diem pursuant to Section 7.1, Business and Travel Expenses. Employees receiving the differential provided for in this section shall not receive long term per diem.
- b. Caltrans employees who are assigned in writing to Long Term Assignments (LTA) for more than one year (365 days) at the outset of their assignment letter and who otherwise qualify for long term per diem shall receive a monthly pay differential in lieu of long term per diem for meals and receipted lodging.
- c. To qualify for the LTA monthly differential, affected employees shall be required to submit receipts as proof that actual lodging expenses were incurred.
- d. The LTA monthly differential will be paid for a period starting the first day of the actual assignment and will end the last day of the assignment. The monthly differential shall be pro-rated for months in which the LTA begins or ends in the middle of the month.
- e. The LTA monthly differential shall be \$3,000.00. Effective the first day of the pay period following ratification by both parties, this rate shall be the same for employees who maintain (and employees who do not maintain) a separate permanent residence at their headquarters location as otherwise described for purposes of long term travel reimbursement in subsection 7.1 of this agreement.
- f. Long Term Differential Pay shall not be added to base pay for purposes of calculating such things as overtime.
- g. Long Term Differential Pay shall not be considered compensation for purposes of retirement contributions.
- h. Departments other than Caltrans may provide the Long Term Assignments differential provided in this section at the department's discretion.

3.8 Prison Recruitment and Retention Bonus

- a. Effective July 1, 2018, Unit 9 employees who are employed by the Department of Corrections and Rehabilitation at Avenal, Ironwood, Calipatria, Centinella, Chuckawalla Valley, Pelican Bay, California Correctional Centers, or High Desert State Prisons, for twelve (12) consecutive qualifying pay periods, shall be eligible for a recruitment and retention bonus of \$2,600, payable thirty (30) days following the completion of the twelve (12) consecutive qualifying pay periods.
- b. If an employee voluntarily terminates, transfers, or is discharged prior to completing twelve (12) consecutive pay periods at one or more of the State Prisons listed in a. above, there will be no pro rata payment for those months at either facility.
- c. If an employee is mandatorily transferred by the Department, they shall be eligible for a pro rata share for those months served.
- d. If an employee promotes to a different facility, or department other than the State Prisons listed in a. above prior to completion of the twelve (12) consecutive qualifying pay periods, there shall be no pro rata of this recruitment and retention bonus. After completing the twelve (12) consecutive qualifying pay periods, an employee who promotes within the Department will be entitled to a pro rata share of the existing retention bonus.
- e. Part-time and intermittent employees shall receive a pro rata share of the annual recruitment and retention differential based on the total number of hours worked excluding overtime during the twelve (12) consecutive qualifying pay periods.
- f. Annual recruitment and retention payments shall not be considered as compensation for purposes of retirement contributions.
- g. Employees on IDL shall continue to receive this stipend.
- h. If an employee is granted a leave of absence, the employee will not accrue time towards the twelve (12) qualifying pay periods, but the employee shall not be required to start the calculation of the twelve (12) qualifying pay periods all over. For example, if an employee has worked four (4) months at a qualifying institution and then takes six (6) months maternity leave, the employee will have only eight (8) additional qualifying pay periods before receiving the initial payment of \$2,600.

3.9 Shift Differential

Unit 9 employees who regularly work shifts shall receive a night shift differential as currently set forth below:

Effective July 1, 2016, Unit 9 employees who regularly work shifts shall receive a night shift differential as set forth below:

- a. Employees shall qualify for the first night shift pay differential of one dollar and eighty cents (1.80) per hour where four (4) or more hours of the regularly scheduled work shift falls between 6 p.m. and 12 midnight.

- b. Employees shall qualify for the second night shift pay differential of two dollars per hour where four (4) or more hours of the regularly scheduled work shift falls between 12 midnight and 6 a.m.

3.10 Diving Pay

- a. Incumbents in classifications currently eligible to receive diving pay shall continue to receive the differential at the rate of \$25.00 per diving hour.
- b. Upon Department of Human Resources approval, new classes may be added to the eligible list and employees meeting these diving pay criteria will be so compensated.

3.11 Range Changes

- a. Employees shall receive upon movement to an alternate range the salary and MSA provided in the Alternate Range Criteria for the class. If there are no specific salary regulations provided in the Alternate Range Criteria, the employee shall receive the salary and MSA as provided in CalHR Rule 599.681.
- b. Employees, at their discretion, who are eligible for a range change may defer their range change up to six (6) qualifying pay periods in order to coincide the range change with the effective date of their MSA. Said requests by employees shall be in writing and submitted no less than 30-days prior to the employee's anniversary date for purposes of the range change.

3.12 Late Docks

Notwithstanding Section 3.5 (Overpayments/Payroll Errors) and Section 3.6 (Timely Payment of Wages), departments may elect to proceed as follows as it pertains to “late docks”.

- a. Whenever an employee is charged with a “late dock” as defined by the State Controller’s Office (SCO) for the purpose of issuing salary through the negative payroll system, departments may issue the employee’s paycheck for that period as if no late dock occurred. This means that:
 - 1. The employee will receive a regular pay warrant on pay day (unless it would have been withheld for purposes other than the late dock);
 - 2. The employee will be overpaid, since the dock time will not have been deducted from the employee’s pay check; and,
 - 3. The employee’s pay will be adjusted for any dock time occurring before the SCO cutoff date, since late docks occur on or after the cutoff date established by SCO.

- b. Employees who are overpaid because of paragraph a. above, will repay the State for their overpayment by an automatic payroll deduction of the total amount from their next month's pay check/warrant (or successive warrants where needed to satisfy the debt). Departments shall notify employees about the overpayment and the automatic payroll deduction in writing. The absence of said notification before the overpayment is made will not preclude the department from automatically deducting overpayments as otherwise permitted by this section.
- c. Departments that elect to proceed under this section may do so on an employee-by-employee basis thereby reserving the right to issue salary advances in lieu of a regular paycheck in order to avoid an overpayment due to a late dock under such circumstances as when an employee has previous "late dock" situations or if there is reason to expect the employee to leave state service prior to the end of the next pay period.
- d. If an employee separates or retires from State service before satisfying late dock overpayments as a result of this section, the State shall deduct the total amount due from any other pay owing the employee at the time of their separation or retirement.

3.13 ICBO/HCAI Certificates – Department of General Services

Full-time Unit 9 employees employed by the Department of General Services (DGS) in the following classifications who successfully complete the examination for the International Conference of Building Officials (ICBO) or the Department of Health Care Access and Information (HCAI) certificates may be reimbursed for application and/or examination fees. Full-time Unit 9 employees in DGS may also be reimbursed for renewal fees once every three years.

For periods of disability commencing on or after October 1, 1984, eligible employees shall receive NDI payments at 60% of their full pay, not to exceed \$135 per week, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive work days. Paid leave shall not be used to cover the ten (10) work days.
- C. The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital or nursing home for at least one full day. A full day is defined as a 24-hour period starting at midnight.
- D. If the employee elects to use vacation, annual leave, personal leave or sick leave credits prior to receiving NDI payments, they are not required to exhaust the accrued leave balance.

The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of their position.
- G. If an employee refuses to return to work in a position offered by the employer under the State’s Injured State Worker Assistance Program, NDI benefits will be terminated effective the date of the offer.

At the time of an ENDI claim, an employee may elect either the 50% ENDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for ENDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.

Accrued paid leave or CTO leave balances may be used to cover this waiting period. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of their position.

An employee will be eligible for ENDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- J. All other applicable Department of Human Resources laws and regulations not superseded by these provisions will remain in effect.
- K. Upon approval of ENDI benefits, the State may issue an employee a salary advance if the employee so requests.
- L. All appeals of an employee’s denial of ENDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee’s denial of benefits are not grievable or arbitrable. 4.14 NDI Family Care Leave

Overview:

Effective first of the pay period following ratification by both parties, but no earlier than July 1, 2023, Unit 9 employees who are enrolled in the Annual Leave Program will be eligible for Non-Industrial disability Insurance Family Care Leave (NDI-FCL). This program provides partial wage replacement for up to six weeks within a 12-month period. NDI-FCL allows eligible employees to care for a seriously ill family member or bond with a newborn child, adopted child or foster care placement.

NDI-FCL includes qualifying exigency leave. A qualifying exigency is leave related to the covered active duty or call to active duty of the employee's spouse, domestic partner, child or parent in the Armed Forces. Qualifying reasons may be found in Unemployment Insurance Code section 3302.2.

Employees who meet the eligibility requirements receive 50 percent of their gross salary for each week of NDI-FCL. For each day of NDI-FCL, employees are entitled to 1/7 of their weekly entitlement. Employees eligible for NDI-FCL may elect to supplement their NDI-FCL benefit to either a rate of 75% or 100% income replacement at the time of filing the NDI-FCL claim.

Eligibility:

To qualify employees must be unable to perform their regular or customary work due to the need to care for a seriously ill family member or to bond with a new child (because of the birth of a child of the employee, adoption, or foster care placement of a child with the employee). A family member for purposes of NDI-FCL means child, parent, parent-in-law, grandparent, grandchild, sibling, spouse or registered domestic partner.

Retirement:

Employees will not earn Public Employees' Retirement System (CalPERS) or State Teachers' Retirement System (CalSTRS) service credit for the 50% NDI-FCL wages but would receive partial credit if they supplement 75% or 100%. Employer contributions to employees' retirement account will not be made while receiving NDI-FCL. CalPERS and CalSTRS credit are earned for the time worked or supplemented with accrued leave.

Other:

Parties agree to support legislation to amend applicable Government Codes including section 19878.5 as well as any applicable California Code of Regulations to provide NDI-FCL to represented bargaining unit 9 employees.

All appeals of a denial of an employee's NDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related the denial of an individual's benefits.

If an employee does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over their accrued vacation credits to the following calendar year to a maximum of 640 hours. A department head or designee may permit an employee to carry over more than 640 hours of accrued vacation leave hours if an employee was unable to reduce their accrued hours because the employee:

It is the employee’s responsibility to utilize all vacation hours in excess of the 640 hour cap unless otherwise prevented from doing so as enumerated in paragraph D(1-6) above. If on January 1 of each year an employee’s vacation leave bank exceeds the cap in this subsection, the department head or designee has the right to order the employee to submit a vacation request which will demonstrate how and when the employee plans to use any hours which will exceed the cap by the end of the calendar year. If the employee does not submit a plan or fails to use the time as planned for reasons other than those listed above, the department head or designee may then order the employee to take excess time at the convenience of the department.

The 640 hour cap shall be phased in according to the following schedule:

 - Effective January 1, 2026, a maximum of 768 hours may carry over to the following calendar.
 - Effective January 1, 2027, a maximum of 704 hours may carry over to the following calendar year.

- F. Employees shall request to take vacation. The department head or designee shall approve the request unless there is an operational need to deny the request.
- G. Vacation requests must be submitted in accordance with departmental policies on this subject. When two or more employees ask for the same vacation time and the department head or designee cannot approve all the employees' requests, approval shall be granted in chronological order of legitimate request, consistent with equity for all affected bargaining unit employees.
- H. Each department head or designee will make every effort to act on vacation requests in a timely manner.
- I. Vacations will be canceled only when operational needs require it.
- J. Unit 9 employees are authorized to use existing fractional vacation hours that may have been accumulated.
- K. Vacation leave credits may be used in thirty (30) (effective October 31, 2002, fifteen (15)) minute increments.

A pregnant permanent employee shall be entitled, upon request, to an unpaid leave of absence for purposes of pregnancy, child birth, recovery therefrom or care for the newborn child for a period not to exceed one (1) year, including any leave granted under the FMLA. The request must include the beginning and ending dates of the leave and must be requested no later than 30 calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to approval of the department head or designee.

If the initial request for parental leave is less than the maximum period allowed, subsequent requests to extend the leave to the maximum one-year time frame are permissive and may be considered by the department head or designee. If the request for parental leave is made more than 30 calendar days after the birth of the child, a permissive unpaid leave of absence may be considered by the department head or designee, in accordance with existing laws and rules.

- b. The spouse, co-parent, or effective April 1, 2002, domestic partner as defined and certified with the Secretary of State’s office in accordance with Family Code Section 297, who is a permanent employee, shall be entitled, upon request, to an unpaid leave of absence for a period not to exceed one (1) year to care for their newborn child. The employee shall provide medical substantiation to support their request for parental leave. The request must include the beginning and ending dates of the leave and must be requested no later than 30 calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to approval of the department head or designee.

If the initial request for parental leave is less than the maximum period allowed, subsequent requests to extend the leave to the maximum one year time frame are permissive and may be considered by the department head or designee.

If the request for parental leave is made more than thirty (30) days after the birth of the child, a permissive unpaid leave of absence may be considered by the department head or designee in accordance with existing laws and rules.

This includes any necessary travel time.
- b. An employee shall notify their supervisor immediately upon receiving notice of jury duty.
- c. If an employee elects to use accrued vacation leave or compensating time off while on jury duty, the employee is not required to remit jury fees.
- d. For purposes of this Section, “jury fees” means fees received for jury duty excluding payment for mileage, parking, meals or other out-of-pocket expenses.
- e. For an employee summoned to jury duty during hours other than the employee’s regular and customary shift, management will endeavor to temporarily reassign the employee to a work shift that more closely coincides with the hours the employee is required to serve on jury duty, including any necessary travel time, subject to the operational needs of the department permitting such a reassignment.

- f. An employee may be allowed time off without loss of compensation if approved by the department head or designee for voluntary jury duty such as county grand jury. If approved by the department, paragraphs c. and d. apply.
- g. Whenever an employee is served with a subpoena which compels their presence, unless they are party to an action unrelated to their employment, such employee shall be allowed the required time off without loss of compensation if the employee remits to the employer witness fees received.

9. This section is not subject to the grievance, arbitration and AWOL procedures article of this contract.

5.9 Personal Leave Program

Effective October 1, 2003, the State shall implement a mandatory personal leave program for all unit employees. This program shall remain in effect for 12 months. Employees may voluntarily participate in the personal leave program on a continuing basis.

- a. Each full-time employee subject to paragraph b. shall be credited with eight (8) hours of Personal Leave on the first day of the following monthly pay period for each month in the Personal Leave Program (PLP).
- b. Salary ranges and rates shall be changed to reflect the July 1, 2003 general salary increase; however, each full-time employee shall continue to work their assigned work schedule and shall have a reduction in pay equal to 5%. In exchange 8 hours of leave will be credited to the employee's PLP monthly.
- c. Personal leave shall be requested and used by the employee in the same manner as vacation or annual leave. Requests to use personal leave must be submitted in accordance with departmental policies on vacation and annual leave balances pursuant to Article 5 (Leaves) and Sections 5.4 (Vacation Leave) and 5.12 (Annual Leave).
- d. At the discretion of the State, all or a portion of unused personal leave credits may be cashed out at the employee's salary rate at the time the personal leave payment is made. It is understood by both parties that the application of this cash out provision may differ from department to department and from employee to employee. Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available, as determined by the Department of Finance, for the Personal Leave program, departments will offer employees the opportunity to cash out accrued personal leave. Upon retirement/separation, the cash value of the employees personal leave balance may be transferred into a State of California, Department of Human Resources Defined Contribution plans as permitted.
- e. An employee may not use any kind of paid leave such as sick leave, vacation, or holiday time to avoid a reduction in pay resulting from the Personal Leave Program.
- f. A State employee in the Personal Leave Program shall be entitled to the same level of State employer contributions for health, vision, dental, flex-elect cash option, and enhanced survivor's benefits they would have received had the Personal Leave program not occurred.
- g. The Personal Leave Program shall not cause a break in State service, a reduction in the employee's accumulation of service credit for the purposes of seniority and retirement, leave accumulation, or a merit salary adjustment.
- h. The Personal Leave Program shall neither affect the employee's final compensation used in calculating State retirement benefits nor reduce the level of State death or disability benefits the employee would otherwise receive or be entitled to receive nor shall it affect the employee's ability to supplement those benefits with paid leave.
- i. Part-time employees shall be subject to the same conditions as stated above, on a prorated basis.
- j. The Personal Leave Program for intermittent employees shall be prorated based upon the number of hours worked in the monthly pay period.
- k. The Personal Leave Program shall be administered consistent with the existing payroll system and the policies and practices of the State Controller's Office.

- l. Employees on EIDL, NDI, IDL, or Worker’s Compensation for the entire monthly pay period shall be excluded from the Personal Leave Program for that month.

5.10 Industrial Disability Leave

- a. For periods of disability commencing on or after January 1, 1993, subject to Government Code Section 19875, eligible employees shall receive IDL payments equivalent to full net pay for the first 22 work days after the date of the reported injury.
- b. In the event that the disability exceeds 22 work days, the employee will receive 66 and 2/3% of gross pay from the 23rd work day of disability until the end of the 52nd week of disability. No IDL or payments shall be allowed after two years from the first day (i.e., date) of disability.
- c. The employee may elect to supplement payment from the 23rd work day with accrued leave credits including annual leave, vacation, sick leave, or compensating time off (CTO) in the amount necessary to approximate the employee’s full net pay. Partial supplementation will be allowed, but fractions of less than one hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.
- d. Temporary Disability (TD) with supplementation, as provided for in Government Code Section 19863, will no longer be available to any State employee who is a member of either the PERS or STRS retirement system during the first 52 weeks, after the first date of disability, within a two-year period. Any employee who is already receiving disability payments on the effective date of this provision will be notified and given 30 days to make a voluntary, but irrevocable, change to the new benefit for the remainder of their eligibility for IDL.
- e. If the employee remains disabled after the IDL benefit is exhausted, then the employee will be eligible to receive Temporary Disability benefits as provided for in Government Code Section 19863.
- f. All appeals of an employee’s denial of IDL benefits shall only follow the procedures in the Government Code and Title 2. All disputes relating to an employee’s denial of benefits are not grievable or arbitrable. This does not change either party’s contractual rights which are not related to an individual’s denial of benefits.

5.11 Mentoring Leave

- A. Eligible Unit 9 employees may receive up to forty (40) hours of “mentoring leave” per calendar year to participate in mentoring activities if they use an equal amount of their personal time for these activities. “Mentoring leave” is paid leave time which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. “Mentoring leave” may not be used for travel to and from the mentoring location.

-
- B. An employee must use an equal number of hours of their personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the work day and/or personal time during non-working hours) to receive “mentoring leave.” For example, if an employee requests two (2) hours of “mentoring leave,” they must use two (2) verified hours of their personal time to receive “mentoring leave.” “Mentoring leave” does not have to be requested in the same week or month as the personal time but must be used in the same calendar year.

CLASSIFICATIONS

6.1 Out-of-Classification Assignments

- a. If a department head or designee requires an employee in writing to work in a higher classification for more than 15 consecutive calendar days, the employee shall receive a pay differential of 5% over his/her normal daily rate of the class to which he/she is appointed for that period in excess of 15 calendar days. If a department head or designee requires an employee in writing to work in a higher classification for 30 consecutive calendar days or more, the employee shall receive a pay differential of 5% over his/her normal daily rate of the class to which he/she is appointed from the first day of the assignment. If the assignment to a higher classification is not terminated before it exceeds 120 consecutive calendar days, the employee shall be entitled to receive the difference between his/her salary and the salary of the higher class at the same step the employee would receive if the employee were to be promoted to that class, for that period in excess of 120 consecutive calendar days. The 5% differential shall not be considered as part of the base pay in computing the promotional step in the higher class. In accordance with the provisions of this subsection, no employee may be compensated for more than one (1) year of out-of-class work for any one assignment.
- b. The State shall not rotate employees in and out of out-of-class assignments for the sole purpose of avoiding payment of an out-of-class differential.
- c. It is not the State's intent to select employees for out-of-class assignments based on favoritism. Furthermore, whenever possible, the appointing power shall choose employees for out-of-class appointment from the current hiring list for the particular job classification for which the employee is to be hired on an acting basis. If there is no appropriate current hiring list at the local facility or office complex, the State shall assign the out-of-class duty whenever possible only to those employees who are qualified to take the examination for entry into that classification.
- d. If any dispute arises regarding out-of-class assignments and compensation, an employee may file a grievance. Prior to proceeding to Step 2 of the grievance process, the employee shall include a completed employee's portion of CalHR Form 651 (Job Description Form). The decision reached at Step 4 (CalHR) of the grievance procedure shall be final. Approved out-of-class grievances may be compensated retroactively for a period no greater than one (1) year preceding the filing of the grievance.

6.2 Classification Changes

- a. When the Department of Human Resources (CalHR) or another department seeks (1) to establish a new classification and assigns it to Bargaining Unit 9, or (2) modifies an existing Bargaining Unit 9 classification, CalHR shall inform PEGC of the proposal during the preparatory stages of the proposals. PEGC may request to meet with CalHR regarding these classification proposals. Such meetings shall be for the purpose of informally discussing the classification proposal and for PEGC to provide input. Upon request, CalHR shall furnish PEGC with drafts of the proposed classification specifications.
- b. The CalHR shall notify and submit to PEGC the final classification proposal at least 20 work days prior to the date the SPB is scheduled to adopt it.
- c. If PEGC requests in writing within 10 workdays of receipt of the notice, CalHR shall meet with PEGC to discuss the final proposal. If PEGC does not respond to the notice, or if PEGC does not meet with CalHR within five (5) workdays from their date of request, the classification proposal shall be deemed agreeable to PEGC and be placed on SPB's consent calendar.
- d. The CalHR shall meet and confer, if requested in writing by PEGC, within ten (10) working days from the date the SPB approved the classification change, regarding the compensation of the classification. To the extent that a classification change necessitates other change which falls within the scope of negotiations, the State shall notify PEGC and the parties shall bargain the impact upon request by PEGC.

6.3 Classifications

Architect

The Department of Human Resources (CalHR), departments employing these classifications, and PEGC agree to meet and confer regarding development of deep classes within these classifications as follows:

The parties will look at the consolidation of the classifications as specified below:

Architectural Designer and Associate Architect into the Architect classification.

If changes to the class specification are agreed upon, such changes will be presented to the State Personnel Board for approval.

Base salaries for these classifications and ranges and experience requirements for movement between ranges shall be the same as Transportation Engineer (Civil).

ARTICLE 7

ALLOWANCES AND REIMBURSEMENTS

7.1 Business and Travel Expense

The State agrees to reimburse employees for actual, necessary and appropriate business expenses and travel expenses incurred 50 miles or more from home and headquarters, in accordance with existing CalHR rules and as set forth below. Lodging and/or meals provided by the State or included in hotel expenses or conference/registration fees or in transportation costs such as airline tickets or otherwise provided shall not be claimed for reimbursement. Employees who are unable to consume meal(s) provided by the State or included in hotel expenses or conferences/registration fees because of time constraints or other considerations such as reasonable accommodation may be reimbursed in accordance with the rates established in section (A)(1) of this article provided an alternate meal was purchased. Snacks and continental breakfasts such as rolls, juice and coffee are not considered to be meals.

Unless otherwise specified, each item of expenses of \$25 or more requires a receipt; receipts may be required for items of expense that are less than \$25. When receipts are not required to be submitted with the claim, it is the employee's responsibility to maintain receipts and records of their actual expenses and make them available for audit upon request by their department, state control agencies and/or the Internal Revenue Service. Each State agency shall determine the necessity for travel and the mode of travel to be reimbursed after leveraging available remote technology such as video and/or phone conference. The State reserves the right to direct employees to use contracted or preferred providers for lodging, transportation and other travel-related services.

When a State agency determines travel is necessary, it shall ensure that:

- Allowable travel expenses are incurred in accordance with state policy, including any applicable travel services contracts, such as airline, rental car, or lodging contracts.
- The mode of travel to be reimbursed is in the best interest of the state.

Normally, an official State business trip begins when the traveler leaves their residence or headquarters, whichever occurs last, and ends when the traveler returns to their residence or headquarters, whichever occurs first.

- A. Meals/Incidentals. Meal expenses for breakfast, lunch, dinner, and incidentals will be reimbursed in the amount of actual expenses up to the agreed upon maximums. Receipts are not required to claim meal and incidental expenses up to the maximum allowable reimbursement rates specified below unless the State or the employing department requires that receipts be submitted. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed. CalHR must comply with current IRS definitions. Accordingly, CalHR is required to utilize the IRS's definition for "incidental expenses".

1. Rates. Actual meal and incidental expenses incurred while on travel status will be reimbursed in accordance with the maximum rates and time frame requirements outlined below.

For each full 24 hours of travel: Up to the federal standard rate for meals and incidental expenses established by the U.S. General Services Administration (GSA).

On the first and last day of travel: Up to 75 percent of the federal standard rate for meals and incidental expenses established by the GSA.

2. Timeframes. For continuous short-term travel of more than 24 hours but less than 31 days, the employee will be reimbursed for actual costs up to the maximum for each meal, and incidental expense as follows:
 - a. For each full 24-hour day of travel: As indicated in 7.1.A.1 above.
 - b. On the fractional day of travel at the beginning of a trip of more than 24 hours: Up to 75 percent of the standard federal daily rate for actual expenses.
 - c. On the fractional day of travel at the end of a trip of more than 24 hours: Up to 75 percent of the standard federal daily rate for actual expenses.

If the fractional day includes an overnight stay, receipted lodging may be claimed.

No meal or lodging expenses may be claimed or reimbursed more than once on any given date or during any 24-hour period.

- d. For continuous travel of less than 24 hours, the employee will be reimbursed for actual expenses up to the maximum as follows:

For travel of at least twelve (12) hours up to twenty-four (24) hours: Up to 75 percent of the standard federal daily rate for actual expenses.

For travel of less than twelve (12) hours: No reimbursement may be claimed for meals and incidental expenses.

If the trip extends overnight, receipted lodging may be claimed. No lunch or incidentals may be claimed on a trip of less than 24 hours.

- B. Lodging. All lodging reimbursement requires a receipt from a commercial lodging establishment such as a hotel, motel, bed and breakfast inn, or public campground that caters to the general public. No lodging will be reimbursed without a valid receipt.

1. Regular State Business Travel:

- a. When employees are required to conduct State business and obtain lodging, reimbursement will be for actual receipted lodging up to the below identified maximums, plus applicable taxes and mandatory fees.

For the 48 contiguous states and Washington, D.C (CONUS): Up to the applicable federal rate established by the U.S. General Services Administration (GSA) for the travel destination.

For certain out-of-state travel (Alaska, Hawaii, U.S. Territories and Possessions): Up to the applicable federal rate established by the

Department of Defense (DOD) for the travel destination.

For out-of-country (foreign) travel: Up to the applicable federal rate established by the U.S. Department of State for the travel destination.

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from CalHR. CalHR may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal or incidental expenses within 50 miles of their home or headquarters.

- C. Long-Term Travel: The long-term daily expense rate shall be authorized when a traveler can reasonably be expected to incur expenses in one location comparable to those arising from the use of establishments catering to long-term visitors, and when the traveler is expected to be in one location for 31 or more consecutive days. Actual expenses for long-term meals, incidentals, and receipted lodging will be reimbursed up to the maximum rates provided above in 7.1(A) and (B). Departments and traveling employees should continue to make reasonable efforts to secure lodging that is in the best interest of the state. Such lodging may include contracted or preferred providers, long-term lodging establishments, and non-hotel accommodations such as an apartment or extended stay facility. The supervisor must determine prior to the beginning of the assignment if the time away from home or headquarters area will be more than 30 days, but less than one year. Long Term Assignments lasting longer than 1 year may require the long-term reimbursements to be reported as a fringe benefit.
1. Full Long-Term Travel: In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:
 - a. The employee continues to maintain a permanent residence at the primary headquarters, and
 - b. The permanent residence is occupied by the employee's dependents, or
 - c. The permanent residence is maintained at a net expense to the employee exceeding \$200 per month.
 2. Employees, who, with supervisor's approval, after completing the work shift remain at the job or LTA location past the Friday 12-hour clock will receive up to the federal standard reimbursement rate for meals and incidental expenses established by the GSA for Friday. Those staying overnight shall not receive any additional reimbursements for meals and incidental expenses regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive up to 75 percent of the federal standard reimbursement rate for meals and incidental expenses established by the GSA. This does not change CalHR policy regarding the meals and incidentals reimbursement clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies CalHR policy regarding an employee leaving the LTA location on personal business:

Employees who leave the LTA location are not entitled to reimbursement of lodging, meals, incidentals, or transportation costs if they stayed overnight elsewhere.

- D. Out-of-State Travel: For short-term out-of-state travel, State employees will be reimbursed for actual lodging expenses, supported by a receipt, and actual meal and incidental expenses in accordance with rates provided above in 7.1 (A) and (B). Long-term out-of-state travel will be reimbursed in accordance with the provisions of Long-Term Travel above.
- E. Out of Country Travel: For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, in accordance with the rates provided above in 7.1(B) and will be reimbursed actual meals and incidentals up to the maximums published in column B of the Maximum Travel per Diem Allowances for Foreign Areas, Section 925, U.S. Department of State Standardized Regulations and the meal/incidental breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-Term Out of Country travel will be reimbursed in accordance with the provisions of Long-Term travel above, or as determined by CalHR.

Reimbursement for lodging, meals and incidentals shall be paid in accordance with procedures prescribed by the California Department of Human Resources. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

- F. Transportation. Transportation expenses include, but are not limited to airplane, train, bus, and taxi fares, rental cars, parking, mileage reimbursement and tolls that are reasonably and necessarily incurred as a result of conducting State business. Each State agency shall determine the method of and necessity for travel. Transportation will be accomplished and reimbursed in accordance with the best interest of the State considering both direct expense as well as the employee's time. Provided the mode of transportation selected does not conflict with the needs of the agency, the officer or employee may use a more expensive form of transportation and be reimbursed at the amount required for a less expensive mode of travel. Both modes of transportation will be shown on the travel claim.

1. Mileage Reimbursement

- a. When an employee is authorized by their appointing authority or designee to operate a privately owned vehicle on State Business the employee will be allowed to claim and be reimbursed at the Federal Standard Mileage Rate (FSMR). Mileage reimbursement includes all expenses related to the use, and maintenance of the vehicle, including but not limited to gasoline, upkeep, wear and tear, tires, and all insurance including liability, collision and comprehensive coverage, breakdowns, towing and any repairs, and any additional personal expenses that may be incurred by an individual as a result of mechanical breakdown or collision.
- b. When an employee is required to report to an alternative work location, the employee may be reimbursed for the number of miles driven in excess of their normal commute.

2. Private Aircraft Mileage: When an employee is authorized by their department, reimbursement for the use of the employee’s privately owned aircraft on State business shall be made at the FSMR Rate per statute mile and shall be computed on the basis of the shortest air route from origin to destination. Pilot qualifications and insurance requirements will be maintained in accordance with CalHR rule 599.628.1 and the State Office of Risk and Insurance Management.
 3. Mileage to/from a common carrier: When the employee’s use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee’s vehicle is not parked at the terminal during the period of absence, the employee may claim double the number of miles between the terminal and the employee’s headquarters or residence, whichever is less, while the employee occupies the vehicle. Exception to “whichever is less”: If the employee begins travel one hour or more before they normally leave their home, or on a regularly scheduled day off, mileage may be computed from their residence.
- G. Receipts. Unless otherwise specified, receipts shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting State business except for actual expenses as follows:
1. Railroad and bus fares of less than \$25 when travel is wholly within the State of California.
 2. Streetcar, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of \$10.00 or less for each continuous period of parking or each separate transportation expense noted in this item.
 3. Telephone, telegraph, fax or other business charges necessary to State business of \$5.00 or less.
 4. In the absence of a receipt, reimbursement will be limited to the non-receipted amount above.
 5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed.
- H. During the term of this agreement, the State shall adopt changes to the California Code of Regulations (CCR) rank-and-file travel regulations to support the Business and Travel Expense Reimbursement Program. Until such time the corresponding CCR rank-and-file travel regulations have been adopted, the excluded employees CCR travel regulations identified in the September 25, 2024, notice shall continue to apply to BU 9 employees. The State shall provide notice and opportunity to discuss the impact of those changes. The State shall provide notice on the CCR rank-and-file travel regulations that shall be updated to support the Business and Travel Expense Reimbursement Program and provide opportunity to discuss those changes.

Employees who purchase public transit passes on their own shall be eligible for a one hundred percent (100%) reimbursement up to the current monthly exclusion amount provided by the IRS. The combined maximum allowable monthly exclusion amount for employees who are eligible to claim both mass transit and vanpool shall not exceed the current combined IRS maximum monthly exclusion amount. LAYOFF AND REEMPLOYMENT

13.1 Layoff and Reemployment

a. Application

Whenever it is necessary because of a lack of work or funds, or whenever it is advisable in the interest of economy to reduce the number of permanent and/or probationary employees (hereinafter known as “employees”) in any State agency, the State may lay off employees pursuant to this Section.

b. Order of Layoff

Employees shall be laid off in order of seniority pursuant to Government Code Sections 19997.2 through 19997.7 and applicable State Personnel Board and Department of Human Resources rules.

c. Notice

Employees compensated on a monthly basis shall be notified 30 calendar days in advance of the effective date of layoff. Where notices are mailed, the 30-calendar-day time period will begin to run on date of mailing of the notice. The State agrees to notify PEGC no later than 30 calendar days prior to the actual date of layoff.

d. Transfer or Demotion in Lieu of Layoff

The State may offer affected employees a transfer or a demotion in lieu of layoff pursuant to Government Code Sections 19997.8 through 19997.10 and applicable Department of Human Resources rules. If an employee refuses a transfer or demotion, the employee shall be laid off.

e. Reemployment

In accordance with Government Code Sections 19997.11 and 19997.12, the State shall establish a reemployment list by class for all employees who are laid off. Such lists shall take precedence over all other types of employment lists for the classes in which employees were laid off. Employees shall be certified from department or subdivisional reemployment lists in accordance with Section 19056 of the Government Code.

f. State Service Credit for Layoff Purposes

In determining seniority scores, one point shall be allowed for each qualifying monthly pay period of full-time State service regardless of when such service occurred. A pay period in which a full-time employee works eleven or more days will be considered a qualifying pay period except that when an absence from State service resulting from a temporary or permanent separation for more than eleven consecutive working days falls into two consecutive qualifying pay periods, the second pay period shall be disqualified.

ARTICLE 14

HOME ADDRESSES

14.1 Home Addresses

A. Home Addresses – Generally

Consistent with PERB regulations and State law, the State shall continue to provide PECG with home addresses on a monthly basis for all non-law enforcement related employees covered by this contract until it expires.

Notwithstanding any other provision of this agreement, any employee may have their home address withheld from PECG at any time by submitting a written request to their appointing power on a form provided by the State.

B. Home Address Withholding By Non-Law Enforcement Related Employees

Effective one-month following ratification of this agreement by both parties, the State will no longer use an Employee Action Request form that provides Unit 9 employees who perform non-law enforcement related functions with the option of having their home address withheld from PECG. Instead, employees who perform non-law enforcement related functions will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from PECG, or (2) to cancel a previous withhold request thereby permitting release of their home address to PECG.

C. Home Address Withhold Notification to Non-Law Enforcement Related Employees

Within one month following ratification of this agreement by both parties, the State will send a letter to all existing Unit 9 employees who perform non-law enforcement related functions that have previously requested their home address remain confidential. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to PECG.

D. Release and Use of Addresses

The State Controller's Office will send PECG a list of all Unit 9 employees who, pursuant to subsection c. above, either did not respond or responded by indicating they wanted to continue withholding their home address from PECG. The State Controller's Office will also send PECG a list of all Unit 9 employees who perform law enforcement-related functions (if any). Said list(s) will contain the employees' name, agency and reporting unit.

E. Home Address Mailings By The State

The State will mail PECG information once per year to the home address of law enforcement-related employees, and non-law enforcement employees who have requested their home address be withheld from PECG. Said material shall be provided by PECG. The cost of this mailing shall be paid for by PECG. PECG agrees to hold the State harmless for any annual mail that does not reach Unit 9 employees.

F. Address Confidentiality

Employee work and home addresses shall be maintained as confidential by PECG. PECG shall take all reasonable steps to ensure the security of work and home addresses, and shall not disclose or otherwise make them available to any person, entity or organization. Employee addresses shall only be used by PECG for representational purposes.

G. Nature of Material

PECG agrees that any of its literature mailed to employees by the State will not be libelous, obscene, defamatory or of a partisan political nature or constitute a solicitation of any product or service unrelated to representation by PECG.

H. Costs Reimbursable

PECG agrees to pay necessary and reasonable costs incurred by the State Controller's Office to produce the necessary name/home/work address tape file on a monthly basis.

I. Hold Harmless and Indemnification

Notwithstanding any other provision of this agreement, PECG agrees to jointly defend this section and to hold the State of California, its subdivisions, and agents harmless in defending challenges of any nature arising as a result of this section of the agreement.

ARTICLE 15

PERSONNEL ACTIVITIES

15.1 Personnel Files

All bargaining unit employees shall have access to the material in their official personnel files. Such access shall be during normal personnel office work hours and shall not be unreasonably denied. The employee may be required to obtain from the supervisor approval of the specific time for such access. The employee's PEGC representative shall have access to the personnel file either by accompanying the employee or by presenting a written authorization from the employee. The authorization shall cover only the period of time specified by the employee. Files shall not be removed from the personnel office without management approval. The employee or their PEGC representative shall be allowed a copy of the material in the personnel file. Materials relating to an employee's performance included in the personnel file shall be retained for a period of time specified by each department, except all materials of a negative nature shall be purged after three years by personnel office employees accessing the file for any reason. The act of removing dated negative material shall be accomplished in a manner which is not apparent to anyone but other employees of the personnel office.

The employee shall have a right to insert in their file reasonable supplementary material and a written response to any items in the file. Such response shall remain attached to the material it supplements for as long as the material remains in the file.

15.2 Appeal of Involuntary Transfer

1. The State shall make reasonable efforts to avoid involuntary transfers.
2. The State shall provide a minimum of sixty (60) days written notice for an involuntary transfer which reasonably requires an employee to change their residence.
3. An involuntary transfer which reasonably requires an employee to change their residence may be grieved under Section 12.2 a. only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the Department of Human Resources disapproves the transfer, the employee shall be returned to their former position; shall be paid the regular travel allowance for the period of time they were away from their original headquarters; and their moving costs both from and back to the original headquarters shall be paid in accordance with the Department of Human Resources law and rules.
4. An appeal of an involuntary transfer which does not reasonably require an employee to change their residence shall not be subject to the grievance and arbitration procedure. It shall be subject to the complaint procedure if the employee believes it was made for the purpose of harassing or disciplining the employee.

15.4 Hardship Transfer

The State and PEGC recognize the importance of hardship transfers as a way of dealing with work and family issues. An employee experiencing a verifiable hardship, including but not limited to domestic violence; mandatory job transfer of a spouse or domestic partner; or family illness, injury, death, serious health condition, or other important consideration; may request a transfer to another geographic area to mitigate the hardship.

The State shall endeavor to reassign the employee to a comparable or lesser (if comparable is not available) position in the requested geographic area. If the employee accepts the position of a lower paid classification, the State shall endeavor to reinstate the employee to their former classification and comparable salary level. Reasons for the inability to grant the transfer shall be provided in writing.

Transfers under this section shall be considered voluntary and any associated relocation costs shall be subject to the applicable CalHR laws and rules.

The parties agree that disputes under this section are grievable through Step 4 (CalHR) and are not arbitrable.

ARTICLE 16

HEALTH AND SAFETY

16.1 Health and Safety

The State and PEGC shall, upon request by PEGC, develop a Health and Safety Committee. The committee shall consist of up to five (5) PEGC representatives (selected by PEGC) and five (5) management representatives. The chairperson shall be selected by management. The committee may meet on a quarterly basis, unless mutually agreed otherwise. PEGC representatives shall serve without loss of compensation not to exceed eight (8) hours each quarter unless authorized by the chair.

The affected department(s) shall attempt to remedy any Health and Safety problems identified through recommendations of the committee.

PECG shall provide the State with a written list of PECG employee representatives at each work location and shall notify the State promptly of any changes of such representatives. PECG representatives shall not be recognized by the State until the list or changes have been received by CalHR and the department head or designee.

Upon prior notification to and approval of the appropriate time by the representatives' supervisors, PECG representatives will be allowed a reasonable amount of time off without loss of compensation for the purposes of representing employees. Unless otherwise authorized by the department head or designee, the representative will limit representational activities to their general geographical area.

18.2 Employees

Except for time off without loss of compensation, the State will not be responsible for other expenses associated with any of the activities listed in this Section.

18.3 Information

Each quarter, the State shall furnish PECG, at cost, with an electronic file of all bargaining unit employees containing their full names, home addresses (if permitted by PERB regulation and as otherwise consistent with Section 14 (Home addresses)), employee organization-sponsored deduction codes, agencies, reporting units, and class and schematic codes. The list will be arranged in alphabetical order by last name.

Each month, the State shall furnish PECG, at cost, with an electronic file (alphabetical by last name) of all employees from whose salaries deductions were made for PECG dues.

Each month, the State shall furnish PECG, at cost, with an electronic file of names and work locations of employees new to the bargaining unit and all employees who left the bargaining unit during the previous month.

PECG may obtain, at cost, any other printouts or information legally available from the State Controller.

18.4 Access

PECG representatives shall be allowed access to bargaining unit employees at the work site during working hours for representational purposes. The department head or designee may require notification by the PECG representatives prior to permitting access.

Subject to availability of a facility and notification of the department head or designee, PECG representatives shall have access to State facilities during non-working hours to meet with employees regarding PECG activities and business provided PECG shall reimburse the State if the State incurs significant additional costs as a result of this use.

Access to bargaining unit employees or use of State facilities shall not be unreasonably withheld; however, it may be restricted for reasons of safety, security, employee requested privacy, emergency, or the accomplishment of the State's mission.

18.5 Bulletin Boards

PECG shall be provided adequate space to post material on State-furnished bulletin boards which are located at easily accessible locations at each work site of employees in the bargaining unit.

Any materials posted must be dated and initialed by the PECG representative responsible for the posting and a copy of all materials posted must be given to the department head or designee. PECG shall not post any material of an illegal, obscene, libelous, defamatory or a solely partisan political nature on PECG bulletin board space.

Each party accepts responsibility and liability for its actions which may bring about claims or suits as a result of the use of State-furnished bulletin boards.

18.6 Distribution of Literature

PECG representatives may distribute PECG literature at the worksite during non-working hours (before or after their working hours or during the meal or coffee breaks). PECG shall not distribute literature of an illegal, libelous, obscene, defamatory or of a solely partisan political nature.

Each party agrees to accept responsibility and liability for its actions which may bring about claims or suits as a result of the distribution of PECG literature at State work sites.

18.7 Employee Orientation

Each employee new to the bargaining unit and a PEGC employee representative shall be given the opportunity to meet, consistent with Subsection 18.4, Access, for 15 minutes during normal working hours for orientation of the employee to the MOU and PEGC.

18.8 State Phones

PEGC representatives shall be permitted reasonable access to State telephones to make calls for PEGC representation purposes; provided, however, that such access to State telephones shall not result in any additional costs to the State, nor shall it interfere with the conduct of State business.

18.9 Organizational Security

The State agrees to deduct and transmit to PEGC all membership dues authorized on a form provided by PEGC. The State and PEGC agree that a system of authorized dues deductions shall be operated in accordance with Government Code sections 3513(h), 3513(j), 3515, 3515.6, and 3515.8, subject to the following provisions:

- a. The amount of dues deducted from PEGC members' pay warrants shall be set by PEGC and changed by the State upon written request of PEGC.
- b. Pursuant to Government Code sections 3513(i) and 3515, a written authorization for PEGC membership dues deductions in effect on the effective date of this Agreement or thereafter submitted shall continue in full force and effect during the term of this Agreement; provided, however, that any employee may withdraw from PEGC membership by sending a signed withdrawal letter to PEGC and a copy to the Controller's Office within thirty (30) calendar days prior to the expiration of the Agreement.
- c. PEGC agrees to indemnify, defend and hold the State and its agents harmless against any claims made of any nature and against any suit instituted against the State rising from this Article and the deductions arising therefrom.
- d. No provisions of this section nor any disputes arising thereunder shall be subject to the grievance and arbitration procedure contained in this Agreement.

18.10 No Reprisal

The State shall not impose or threaten to impose reprisals; discriminate or threaten to discriminate against an employee; or take any other action against an employee because of their exercise of any rights provided by the Dills Act or this MOU.

18.11 Information to Employees

Annually, the State will provide all bargaining unit employees with information relating to their vacation, sick leave, CTO balances, and their retirement contributions and interest. The State agrees to determine if the Controller can produce statements on other benefits; however, the actual production and distribution of such reports is dependent on the developmental cost and the Controller's priorities.

18.12 Payroll Deduction

1. It is the intent of this Section to provide for payroll deductions, except for deductions defined in Section 18.9, Organizational Security, of PECG members to be deducted from their warrants insofar as permitted by law. **APPENDIX B
IRS AGREEMENT
BETWEEN
THE STATE OF CALIFORNIA
AND
PROFESSIONAL ENGINEERS IN
CALIFORNIA GOVERNMENT
COVERING ALL EMPLOYEES IN
BARGAINING UNIT 9**

TAX TREATMENT OF EMPLOYEE RETIREMENT CONTRIBUTION

The purpose of this Article is to implement the provisions contained in Section 414(h)(2) of the Internal Revenue Code concerning the tax treatment of employee retirement contributions paid by the State of California on behalf of the employees in the bargaining unit. Pursuant to Section 414(h)(2) contributions to a pension plan, although designated under the plan as employee contributions, when paid by the employer in lieu of contributions by the employee, under circumstances in which the employee does not have the option of choosing to receive the contributed amounts directly instead of having them paid by the employer, may be excluded from the gross income of the employee until these amounts are distributed or made available to the employee. Implementation of Section 414(h)(2) is accomplished through a reduction in wages pursuant to the provisions of this Article.

A. DEFINITIONS

1. Unless the context otherwise requires, the definitions in this Article govern the construction of this Article.
2. **“Employees.”** The term “employees” shall mean those employees of the State of California in Bargaining Unit 9 who make employee contributions to the PERS retirement system.
3. **“Employee Contributions.”** The term “employee contributions” shall mean those contributions to the PERS retirement system which are deducted from the salary of employees and credited to individual employees’ accounts.
4. **“Employer.”** The term “employer” shall mean the State of California.
5. **“Gross Income.”** The term “gross income” shall mean the total compensation paid to employees in Bargaining Unit 9 by the State of California as defined in the Internal Revenue Code and rules and regulations established by the Internal Revenue Code and rules and regulations established by the Internal Revenue Service.
6. **“Retirement System.”** The term “retirement system” shall mean the PERS retirement system as made applicable to the State of California under the provisions of the Public Employees’ Retirement Law (California Government Code Section 20000, et seq.).

7. **“Wages.”** The term “wages” shall mean the compensation prescribed in this Agreement.

B. PICK UP OF EMPLOYEE CONTRIBUTIONS

1. Pursuant to the provisions of this Agreement, the employer shall make employee contributions on behalf of employees, and such contributions shall be treated as employer contributions in determining tax treatment under the Internal Revenue Code of the United States. Such contributions are being made by the employer in lieu of employee contributions.
2. Employee contributions made under Paragraph A of this Article shall be paid from the same source of funds as used in paying the wages to affected employees.
3. Employee contributions made by the employer under Paragraph A of this Article shall be treated for all purposes other than taxation in the same manner and to the same extent as employee contributions made prior to the effective date of this Agreement.
4. “The employee does not have the option to receive the employer contributed amounts paid pursuant to this Agreement directly instead of having them paid to the retirement system.”

C. WAGE ADJUSTMENT

Notwithstanding any provision in this Agreement on the contrary, the wages of employees shall be reduced by the amount of employee contributions made by the employer pursuant to the provisions hereof.

D. LIMITATIONS TO OPERABILITY

This Article shall be operative only as long as the State of California pick up of employee retirement contributions continues to be excludable from gross income of the employee under the provisions of the Internal Revenue Code.

E. NON-ARBITRABILITY

The parties agree that no provisions of this Article shall be deemed to be arbitrable under the grievance and arbitration procedure contained in this Agreement.

SIDE LETTER #15

CALEPA RELOCATION AGREEMENT

The November 9, 2000 agreement between the State and PECG, along with January 31, 2001, February 8, 2001, and March 7, 2001 amendments, regarding the California Environmental Protection Agency headquarters office building and related Boards, Departments and Offices moves shall remain in effect.

Except as otherwise specified, this section shall apply only to those employees headquartered in the CalEPA Building located at 1001 I Street in Sacramento, California.

A. Telework Policy

The CalEPA Telework Policy shall be implemented and available to all Unit 9 employees throughout the State employed by the CalEPA.

B. Commute Mitigation

1. Alternate Transportation Support – The State and PECG agree that the State shall encourage employees to use alternate means of transportation to commute to and from work in order to reduce traffic congestion and improve air quality.
2. Incidental Use Parking – CalEPA shall develop an “Incidental Use Parking Program” for employees who use alternate means of transportation to commute to and from work. Upon 24 hours notice, employees who self-certify that they are using alternate transportation to commute to and from work at least three times per week, shall be eligible to park for up to two days per pay period in a CalEPA parking space set aside for this purpose.
3. Guaranteed Ride Home Program – This program exists through the Sacramento Transportation Management Association. This program allows employees who use alternative transportation at least three times per week to obtain transportation in the case of emergency or unanticipated approved overtime that precludes the use of their regular ride home. Eligible employees may use the program up to six times in a 12-month period. All CalEPA boards, departments and offices will maintain membership in this organization in order to provide this benefit to all qualifying employees.

C. Parking

1. Parking Lot Waiting List – For purposes of allocating available parking spaces to CalEPA employees who were not assigned a lottery number on August 3, 2000, the following priority order shall be used after September 1, 2000: 1) persons with disabilities, 2) car/van pools and shared permits with at least two CalEPA employees, and 3) all others, on a first come first served basis, without exceptions.
2. Waiting List Status Reports – Upon request of the exclusive representative for any of its affected Bargaining Units, CalEPA shall provide reports describing: 1) the number of parking permits available by lots, 2) the number of permits issued, and 3) the number of employees on the waiting list of each lot.

3. Parking – It is understood that the State will not subsidize employee parking.

D. Bicycle Transportation

1. Bicycle Storage Fee Reimbursement – Employees charged a bicycle storage fee shall be eligible for reimbursement of \$15.00 per month from when the employee relocates to the CalEPA building. This shall not be considered compensation for purposes of retirement contributions. The State may establish and implement procedures for the administration of this benefit.
2. Bicycle Storage Assignments – Bicycle storage shall be assigned based on commute days, by lottery numbers, and in accordance with the following priority: 1) five days per week, 2) four days per week, 3) three days per week. CalEPA shall notify each bicyclist of storage arrangement beginning October 1, 2000. Advance acceptance of the storage assignment may be submitted to appropriate administrative officials. After assignments are final at each bicycle storage area, each employee may then request to be placed on a waiting list for specific bicycle storage areas. Placement on a waiting list shall be based on a first come, first served basis. Upon satisfactory proof of the need for such accommodation, bicycle commuters who require special needs accommodations shall have priority over all others commuting the same number of days per week.

The CalEPA Bicycle Storage Area is not scheduled to be available for parking until December 2000. Employees with permits may either park bicycles in general work areas of a CalEPA sponsored Pilot Project, or use available bicycle storage facilities located at 901 P Street, or any other state building.

3. City Storage Fee Reimbursement – Employees who commute to and from work by bicycle at least three days per week shall be eligible for reimbursement of the fee charged by the City for bicycle parking until the bicycle storage facilities in the new building are available for use, and afterwards, if the facilities in the new building are fully utilized.

E. Clothing Lockers

Priority assignment shall be given to employees who commute by bicycle or on foot by lottery number and in accordance with the following priority: 1) five days per week, 2) four days per week, 3) three days per week. Employees who commute to and from work by bicycle or on foot who were not assigned a lottery number, shall be assigned available clothing lockers in accordance with the same priority and on a first come, first served basis. Employees requiring a clothes locker to meet special needs accommodations shall be assigned a clothes locker upon satisfactory proof of the need for such accommodation. All other clothing lockers shall be utilized on a first come, first served basis.

F. Safety Committee

CalEPA agrees to establish a Safety Committee to review and discuss safety issues and concerns applicable to the employees of CalEPA and its Boards, Departments and Offices (BDO) located at the new CalEPA Headquarters building at 1001 I Street in Sacramento. The Committee shall meet quarterly and participants shall include the safety officer from each BDO and one representative from each

Bargaining Unit willing to participate. The Committee shall establish Bylaws that may or may not be based on any such existing committees, so long as they are not in conflict with the Memoranda of Understanding for each participating Bargaining Unit.

G. Building Card Key Costs

Employees are responsible for their building card keys. Except in cases of loss and/or damage due to negligence, building card keys will be replaced at no cost to employees up to two times per year.

H. Implementation

Where necessary, CalEPA shall develop procedures to implement any of the above programs.

SIDE LETTER – CARB SOCAL RELOCATION

On April 3, 2020, PECG was notified of the California Air Resources Board (CARB) relocation of their Southern Headquarters from El Monte, CA to Riverside, CA. The move qualifies as a “mandatory geographic transfer,” and is tentatively scheduled for Spring of 2021.

The provisions of this Side Letter are non-precedential and shall apply only to those BU 9 CARB employees (“hereinafter, “Impacted Employees”) whose headquarters are in El Monte, CA, and are required to relocate to the new location in Riverside, CA.

A. Super SROA Status

Impacted Employees are entitled to Super SROA hiring rights per the BU 9 MOU, section 13.1 (g), and shall receive the benefits of those rights effective March 1, 2021.

CalHR and CARB (“State”) agree that the surplus letters that were sent to Impacted Employees on or about December 1, 2020 will be modified and re-issued to Impacted Employees to clarify that Impacted Employees have Section 13.1 (g) Super SROA hiring rights effective March 1, 2021. Those rights shall continue for 60 calendar days after the official opening of the CARB Riverside Headquarters or April 15, 2021, whichever date is later. CARB agrees to issue the Super SROA letters prior to March 1, 2021.

CARB and CalHR agree to initiate and take all administrative steps necessary to ensure that the Impacted Employees’ Super SROA rights are effective no later than the beginning of business, March 1, 2021.

B. Relocation Reimbursements Commitments

Impacted Employees are eligible for reimbursement if they moved their primary Residence for the purpose of working at CARB’s new location in Riverside, and otherwise meet the criteria specified in Section 7.8 of the BU9 MOU.

The State shall reimburse Eligible Impacted Employees for approved items in Accordance with the lodging, meal and incidental rates and time frames found in Section 7.1 (Business and Travel Expenses) of the BU9 MOU.

Impacted Employees are eligible to submit for reimbursement of the above expenses beginning April 1, 2021 and shall endeavor to submit all requests for reimbursement no later than March 31, 2022 (hereinafter the “Reimbursement Period”).

Employees who are reimbursed pursuant to this section and utilize the Super SROA process to leave CARB for employment at another state agency, must work two years or more at CARB to retain such reimbursements. However, if an employee utilizes the Super SROA process to discontinue employment with CARB (with limited exceptions) within two years from April 1, 2021, the employee shall repay CARB based upon the following percentages:

100 percent if employed by CARB less than 6 months.

75 percent if employed by CARB 6 months but less than 12 months.

50 percent if employed by CARB 12 months but less than 18 months.

25 percent if employed by CARB 18 months but less than 2 years.

Exceptions: Employees who utilize the Super SROA process to leave CARB for another state agency are not subject to the above repayment schedule if their discontinuance of employment with CARB was the result of death, prolonged illness, disability, retirement due to death, illness or disability, unacceptability of the employee to the Department (ex: Dismissal, Rejection During Probation, etc.), retirement, or similar eventualities beyond the control of the employee as determined by the appointing power. This side letter will be incorporated into the 2020 – 2022 MOU.

SIDE LETTER AGREEMENT BETWEEN THE STATE OF CALIFORNIA AND PROFESSIONAL ENGINEERS IN CALIFORNIA GOVERNMENT (PECG)

(Reached June 11, 2021)

SIDE LETTER – MODIFYING COVID-19 RECESSION SAVINGS MEASURES

As identified in the State’s notice to the Professional Engineers in California Government (PECG) dated May 14, 2021, the May Revision of the 2021-2022 Budget Act reflects the state’s fiscal status has improved due to higher-than-anticipated tax revenue and new federal funding from multiple stimulus bills. Looking to the fiscal year ahead, the state’s improved financial condition warranted renewed discussions as provided for in Article 29.1 – Contract Reopener Language of the Bargaining Unit (BU) 9 Memorandum of Understanding (MOU).

This Agreement is a Side Letter of the current MOU effective July 1, 2020 through July 1, 2022, between PECG, BU 9 (BU 9) and the State of California (State).

I. Elimination of Personal Leave Program (PLP) 2020 Reduction in Pay

Effective the first day of the pay period following ratification by both parties, the PLP 2020 reductions in pay agreed to in Article 5.22 PLP 2020 shall cease. This means the PLP 2020 monthly reduction in pay equal to 9.23% shall no longer occur and employees shall no longer be credited with PLP 2020 hours on the first day of the pay period. Provisions related to the use and compensability of PLP 2020 leave credits will remain unchanged.

II. Elimination of Pay Suspensions or Deferments and Establish General Salary Increase

Due to improvement of the state’s fiscal status resulting in revenue becoming sufficient to fully fund existing statutory and constitutional obligations, existing fiscal policy, and the cost of providing the various pay items that had been suspended or reduced as a result of the COVID-19 Recession, the following pay items shall be established:

- Effective the first day of the pay period following ratification by both parties, employees shall receive a 5.58 percent General Salary Increase (GSI). This salary increase includes 0.08 percent to account for the compounding of the following two negotiated increases:
 - The 3 percent GSI identified in Article 3.26 originally negotiated with an effective July 1, 2022 shall be accelerated to be effective the first day of the pay period following ratification of this Side Letter by both parties*; and
 - A new 2.50 percent GSI to be established the first day of the pay period following ratification.

*Pursuant to Article 11.6 and 11.7, BU 9 employee retirement contributions rates shall increase an additional 0.5 percent for a period of one year from the effective date of the GSI identified in Article 3.26 after which time it will revert back to the contribution rates in effect prior to that increase.

III. Restoration of Employee Share of Prefunding Post-Retirement Health Benefits (OPEB)

Notwithstanding Government Code Sections 22940, 22942, 22943, 22944, 22944.2, 22944.3, and 22944.5, the employees' monthly contribution of two percent (2%) for prefunding other post-employment benefits, as described in BU 9, Article 28.1, paragraph B, is reinstated and shall be withheld from employees' salaries beginning the first day of the pay period following ratification by both parties. The employer's monthly contribution for prefunding other post-employment benefits shall continue as described in BU 9, Article 28.1, paragraph B.

IV. Federal Funding for Essential Worker Premium Pay

The parties agree that when federal and state guidelines are released regarding essential worker premium pay, the state will meet and confer with Bargaining Unit 9 to determine the impact on BU 9 members.

RETURN-TO-OFFICE SUSPENSION

(Reached June 19, 2025)

Effective upon the parties' execution of this Side Letter, for employees in Bargaining Unit 9, the State and the Union agree that the State's return-to-office requirements of Executive Order N-22-25 will be suspended immediately and reinstated on July 1, 2026.

Departments shall rescind any existing Return-to-Office (RTO) notices and updated policies tied to Executive Order N-22-25 issued on or after March 3, 2025, for Bargaining Unit 9 employees. Any telework agreements for Bargaining Unit 9 employees that were altered to comply with Executive Order N-22-25 will revert to their status as of March 2, 2025.

This Side Letter is operative through June 30, 2026. No earlier than 120 days and not later than 60 days prior to the expiration of this Side Letter, the Union and the State shall meet over the reinstatement of the Executive Order on July 1, 2026.

This Side Letter shall be subject to the grievance and arbitration process outlined in the MOU.

The Union shall withdraw with prejudice any and all unfair practice charges, grievances, administrative complaints, or any other claims of any kind, filed against the State of California and any of its agencies, departments, officers, agents, or employees, arising out of or relating to in any way, the State's implementation or enforcement of any telework policies or return-to-office mandates, including but not limited to, Executive Order N-22-25, and any other associated policies or directives. This provision does not pertain to PERB case #LA-CE-771-S or affect PERB's decision in that case.

If the July 1, 2026 reinstatement date is extended for any reason, or as a result of a fully-ratified labor agreement, during the term of this Side Letter, the parties agree to meet over that extension applying to Unit 9 employees.

If you are in the Professional Engineer Unit 9, you are covered by the provisions of this Contract. Professional Engineers in California Government (PECG) negotiated this Contract on your behalf and, if you are a PECG member, will represent you regarding grievances or other employment problems.

PECG represents over 15,000 engineers, architects, engineering geologists, land surveyors, architects, landscape architects, air pollution specialists, and related classifications of employees in California state service and has been doing so since 1962.

You, the PECG member, elect our leaders and establish our policies — we are not affiliated with or controlled by any other organization.

Each of the 17 PECG Sections, distributed geographically throughout California, elects a Director who serves on the PECG Board of Directors, along with statewide elected officers. Contract negotiations are conducted by a Bargaining Team, chaired by the statewide Vice President Collective Bargaining, and assisted by a Committee of Vice Presidents from each Section. Supervisors and managers are represented by PECG’s Supervisory Meet and Confer Team.

PECG has offices in Sacramento, Los Angeles (Pasadena), and San Francisco, and employs professional and clerical staff, labor relations experts, attorneys, and Sacramento lobbyists. Our Political Action Organizations (PECG PAC and FED-PAC) increase our political activity and effectiveness.

PECG has one goal — to most effectively represent you, the member. All of PECG’s resources and efforts are dedicated to achieving that goal. *PECG Delivers!*
